Secure the Surface™ Pro

Locking Module Kit for SD7000 Surface Pro Docking Station

This locking kit designed for the Kensington SD7000 Surface Pro Docking Station provides comprehensive security for the Surface Pro tablet. The Lock Module secures the Surface within the dock cradle, with the included MicroSaver® 2.0 keyed lock cable allowing the dock to be anchored to a fixed object within the work environment.
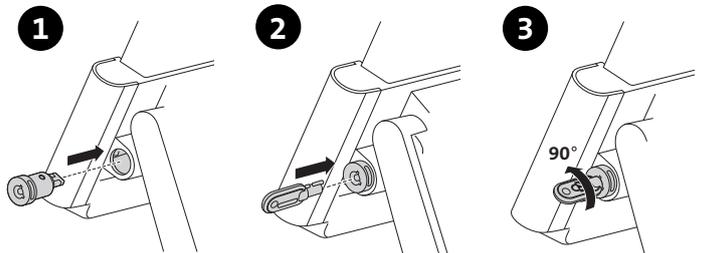

Features and benefits:

- **Locks Surface Pro within the SD7000 Surface Pro Docking Station,** and locks the docking station a desk, table, or any fixed structure
- **One key** unlocks the device and cable from the dock
- **Patented Hidden Pin™ Technology** supports anti-pick tubular lock
- **Carbon steel cable** resists cutting attempts
- **Independently Verified & Tested** for industry-leading standards in torque/pull, foreign implements, lock lifecycle, corrosion, key strength and other environmental conditions
- **Register & Retrieve™ program** allows you to order replacement keys
- **Compatible** with Surface Pro 6, 5 (2017) and 4
