SmartFit™ Modular Platform

Part Number: K60718USF | UPC Code: 0 85896 60718 2

Lower your keyboard, elevate your comfort.

SmartFit™

Long hours of typing contributes to wrist pain, shoulder tension, and poor posture for many professionals. The SmartFit™ Modular Platform creates a more comfortable typing position for wrists and forearms, saves space, and keeps your work area clutter-free. Thoughtfully designed to simplify proper ergonomic fit, the height-adjustable design aligns the hands, wrists, and arms in a neutral position, reducing strain and supporting better overall body alignment. It accommodates wired or wireless keyboards and fits any straight workstation with adjustable, modular platforms.

Features include:

- SmartFit™ supports proper ergonomic positioning
- Offers three modular platforms to accommodate different desk and accessory needs
- Keyboard arm connects below desk
- Height and tilt adjustable with 360° rotation
- Accommodates wired or wireless keyboards
- Fits straight workstations
- TAA Compliant

Kensington®

SmartFit™ Modular Platform

**Part Number: K60718USF | UPC Code: 0 85896 60718 2**

SmartFit™ – Comfort Made Easy

Supports proper ergonomic positioning of the hands, wrists, and arms in a neutral position, reducing strain and supporting better overall body alignment. Uses data-driven research and a color-coded fitting chart to support quick and intuitive height-setting.

Three Modular Platform Options

Provides customizable workspace configurations, allowing users to optimize their setup for larger mousing areas or streamline their workspace for smaller desks, enhancing both comfort and productivity.

Below Desk Arm Mount with Height, Tilt, and Rotation

The below desk arm mount with 6" height adjustment, 15° tilt, and 360° rotation ensures customizable ergonomic positioning, allowing users to achieve optimal comfort, while maximizing workspace efficiency and adaptability for various tasks.

Universal Workstation Fit

Designed to integrate seamlessly with any straight or L-shaped workstation supporting wired or wireless keyboards, maximizing usability in diverse office setups.
