The Professionals' Choice™

USB-C to Dual DisplayPort 1.2 Video Adapter

Part Number: K38280WW | UPC Code: 085896382805

Stunning video quality from any USB-C Windows computer — Supports up to two 4K Ultra HD monitors @30Hz

Plug-and-play ease — No drivers to install. Just connect the cable to a USB-C port that supports Alt Mode, connect your monitor cables, and it works.

Mirror monitors or operate each independently — Whether you want each monitor to display identical information, or have each monitor dedicated to a separate page, tab, or application, you've got flexibility.

Improved productivity — Multiple monitors reduce side scrolling and clicking back and forth between tabs, applications, windows, etc.; and enhance presentations, digital messages, and signage.

2-year warranty — Rest assured knowing you're covered by Kensington.
