

# Kensington®

## Lock It. Dock It. Rock It.

The only docking station available with an integrated laptop lock

**Lock It**  
Non-invasive arms clamp around the base of the laptop's screen, wireless K-Fobs releasing the lock

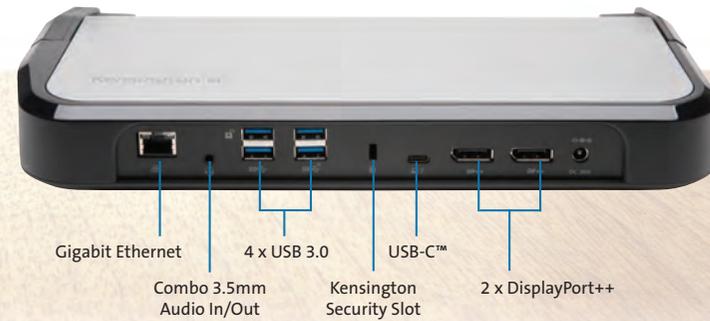

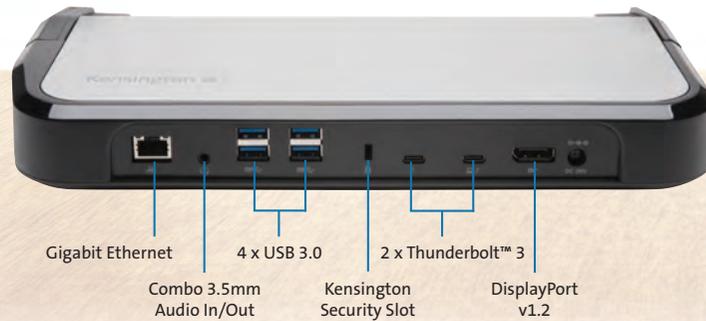

**Dock It**  
A single cable connects the device to dual 4K monitors, USB peripherals and a wired network

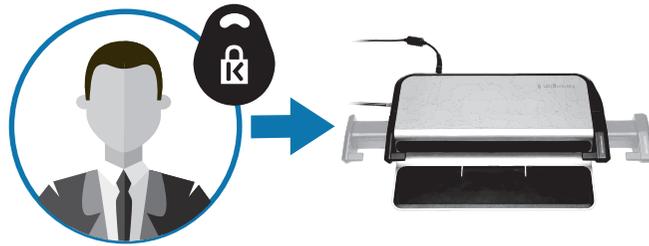

**Rock It**  
Work and play productively with the most secure docking station on the market!

## Expand Your Connectivity, Expand Your Horizons with these Single User Lock Docks
