Innovative design complements any décor
Engineered for heavy-use environments
Glass surface will not stain or ghost

Magnetic Glass Dry-Erase Boards

A glass marker board can enhance the appearance of your workspace and help your team communicate and collaborate. Just like a traditional whiteboard, the glass surface offers a smooth writing platform. Premium glass is very durable and offers superior erasability.

Horizon™ Magnetic Glass Dry-Erase Board

Designed for heavy-use, tempered magnetic glass surface is stain and ghost resistant for superior erasability. Magnetic surface doubles as a bulletin board. Invisible mount feature gives the dry-erase board a floating appearance and includes a concealed, full length accessory tray. Frameless design features rounded corners and blends into any modern workspace. Includes 1 Quartet dry-erase marker, mounting hardware and 2 rare earth magnets.
