

Kensington®

Hear with Complete Clarity

Hi-Fi Headphones

The Kensington Hi-Fi Headphones is a comfortable and durable headset that provides high-quality stereo sound and best-in-class comfort features.

Features & Benefits:

- **High-Quality Stereo Sound** is provided through powerful 40mm drivers with deep base and a wide dynamic range to deliver an exceptional listening experience
- **Best-in-Class Comfort** – designed to fit heads of all ages, the adjustable headband is padded and the foam ear pads are wrapped in a soft leatherette cover to provide hours of comfortable use
- **Single-Sided Monitoring Enabled** – the ear cups swivel to enable teachers or call center instructors to listen in and support
- **6 Foot 3.5mm Audio Cord** is the ideal length for learning environments and strong enough to stand up to heavy use

Why Trust Kensington?

Trusted by enterprises around the world for over 35 years, Kensington is a leader in desktop and mobile computing accessories. Award-winning products and core competencies in engineering, industrial design, tested quality, and responsive tech support have made Kensington The Professionals' Choice™. Committed to delivering robust solutions for K12 and business professionals, Kensington delivers high-tech productivity solutions with universal simplicity.
