

Kensington®

# Secure, Protect, and Connect Federal IT Environments

## WHY FEDERAL AGENCIES TRUST KENSINGTON

Federal agencies turn to Kensington to help them better secure, protect, and connect their IT environments. Our extensive portfolio of TAA-compliant desktop and mobile device accessories were developed in collaboration with our OEM partners to ensure compatibility and achieve optimal performance. Working with Kensington, will give you and your customer peace of mind, since we're an established US-based vendor, with stateside support and trusted by organizations around the globe. Our experience with high-volume manufacturing ensures that we can fulfill your federal customer's orders quickly and reliably, and you can be confident that we'll be here post-deployment.
