

ValuMouse™ 3-Button Wired Mouse

Part No. K72110EU | EAN Code: 5028252478632

Wired Reliability with Silent Clicking

The Wired ValuMouse features a three-button/scroll wheel setup that offers silent clicking when you need to get work done and don't want to disturb anyone in a quiet environment. A high-definition optical sensor provides reliable and responsive control when you're navigating and the comfortable, contoured shaping feels great for either right-handed or left-handed users. It offers Plug & Play installation with a standard USB wired connection and is built to last with a 5-year limited warranty.

- Silent clicking
- Ambidextrous - comfortable for either hand
- High-definition optical sensor (1000 DPI) for responsive control
- Three Button/Scroll Wheel design
- Wired, reliable USB connectivity without the need for batteries
- Plug and play - no need to download software
- A perfect companion to the ValuKeyboard™
- 5-year limited warranty
