

MagPro™ Elite Magnetic Privacy Screen Filter for Surface™ Pro 8, 9, 10 & 11th Edition

Part Number: K51700WW | UPC Code: 0 85896 51700 9

Privacy begins on screen.

The move toward hybrid working means that the modern workplace is no longer a single, easy-to-secure location. Users can be working anywhere, with an increased chance of visual hacking. Owners of the Surface Pro 8, 9, 10 & 11th Edition require a privacy screen filter that can be quickly attached and detached.

The MagPro™ Elite Magnetic Privacy Screen Filter attaches seamlessly to the Surface Pro's magnetic frame, requiring no inconvenient adhesives.

The screen narrows the viewing angle to $\pm 30^\circ$, limiting the chance of unauthorised viewing and reducing harmful blue light and glare.

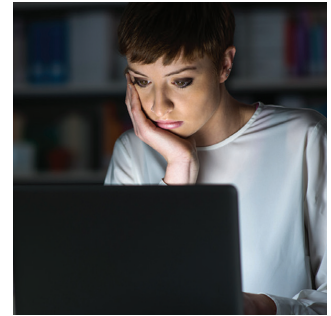

Features include:

- Designed exclusively for Surface Pro
- Seamlessly attaches to the Surface Pro's magnetic frame
- Easy to detach and reattach
- Limits viewing angle to $\pm 30^\circ$
- Reduces harmful blue light and glare, and improves clarity
- Touch and Surface Pen enabled
- Protects screen
- Includes cleaning cloth and protective case

MagPro™ Elite Magnetic Privacy Screen Filter for Surface™ Pro 8, 9, 10 & 11th Edition

Part Number: K51700WW | UPC Code: 0 85896 51700 9

Designed exclusively wfor Surface Pro

Built in collaboration with Microsoft for the highest quality, form, fit and function.

Seamless Magnetic Attachment

Conveniently attaches to - and detaches from - the Surface Pro's magnetic frame. This avoids potentially damaging adhesives from being used, and eliminates any setup process.

Limited Viewing Angle

Narrows the field of vision to $\pm 30^\circ$, helping you keep the information on your screen private and reducing the chances of a visual data breach in the office or in a public setting.

Blue Light Reduction and Low Reflective Coating

Filters out harmful blue light rays by up to 22%, easing eye strain and reducing the chances of interrupting sleep patterns. Coating reduces glare for improved clarity.

Reversible Viewing

One side has a matte finish to reduce glare and fingerprints. The other side is glossy and provides a clearer view of the monitor.

Touch and Surface Pen Enabled

Allows you to use your Surface Pro just as you would without a privacy screen.

Cleaning Cloth and Protective Case

Helps to keep screen clean and prevent scratches when not in use.

MagPro™ Elite Magnetic Privacy Screen Filter for Surface™ Pro 8, 9, 10 & 11th Edition
