

5" Ring Light Video Conferencing Kit

Part Number: K87641CA | UPC Code: 85896876410

Portable
video lighting
designed for
on-the-go
professionals.

Do you need to enhance the way you look on video conferencing calls or livestreams while on-the-go? The 5" Ring Light Video Conferencing Kit is a portable and versatile lighting solution that will improve the way you look wherever you happen to be.

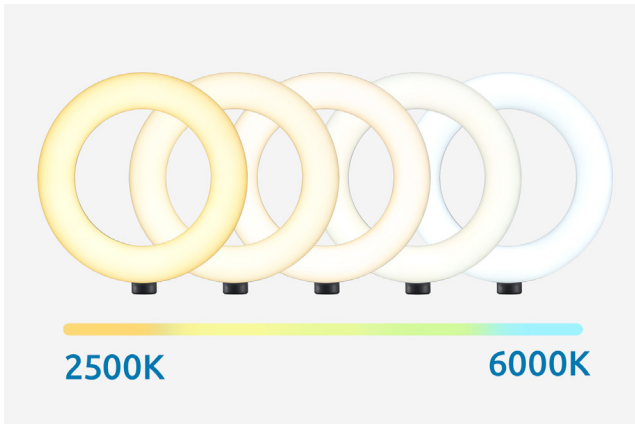

Delivering up to 350 lumens in 5 color settings and with 10 levels of brightness, the 5" Ring Light Video Conferencing Kit ensures flattering lighting in both indoor and outdoor scenarios. The pivoting tripod mount accommodates a variety of office setups, and the rotating mobile device clip provides options for mounting the light to monitors, smartphones, and tablets.

Delivering flattering lighting whenever and wherever you need it, the 5" Ring Light Video Conferencing Kit is a compact and portable solution for mobile professionals wanting to look their best.

- Lightweight and portable
- Wide temperature range (2500K to 6000K)
- Up to 350 lumens in 5 color settings with 10 levels of brightness
- Includes tripod desktop stand and mobile device clip
- USB-A powered
- Kensington ecosystem compatible
- 2-year limited warranty

5" Ring Light Video Conferencing Kit

Part Number: K87641CA | UPC Code: 85896876410

Flexible Lighting Options

Provides a wide temperature range (2500K to 6000K) and up to 350 lumens in 5 color settings with 10 levels of brightness—allowing you to select the best lighting option at any time of the day and ensuring flattering lighting in both indoor and outdoor scenarios.

Versatile Mounting Options

The tripod mount pivots vertically up to 180° to provide the best possible lighting angles, and a mobile device clip provides options for easily mounting the light to monitors, smartphones, and tablets.

Compact Design

A lightweight and portable solution that accommodates small workspaces and mobile device setups.

USB-A Powered

No outlet required—simply attach to any open USB-A port on your laptop or docking station.

Kensington Ecosystem Compatible

Create a tailored Professional Video Conferencing setup based on your environment by combining with other accessories, like the H3000 Bluetooth® Over-Ear Headset.
