The Ultimate Desktop Experience for the Surface Pro SD7000 Surface Pro Docking Station

The ultimate docking solution for Surface Pro has arrived. With the SD7000 Surface Pro Docking Station, users can expand their desktop setup to include two external monitors, connect to a wired network and favorite USB accessories, and position their Surface Pro to work upright in desktop mode or down in studio mode. Built on Microsoft's proprietary Surface Connect technology, users can connect with confidence for a seamless dock and charge experience that looks as good as it functions with a small desktop footprint and clean lines. Available with an optional integrated lock to secure the Surface Pro, the SD7000 offers best-in-class docking and locking to support the desktop of the future.

Features & Benefits:

- **Exclusively Designed for Surface Pro** to provide seamless charging and syncing
- **Articulating Hinge** allows users to comfortably position the Surface Pro upright as a display, or lay it at a perfect drafting table angle (Studio Mode) for painting, drawing, or editing photos
- **Versatile Video Connections** offer output options to external monitors via HDMI and DisplayPort multi-mode (one 4K monitor at 3840x2160@60Hz or two 4K monitors at 3840x2160@30Hz)
- **5 USB Ports** – extend productivity capabilities via 4 USB 3.0 ports (up to 5Gbps, 5V/0.9A) and 1 USB-C port for data synchronization (up to 5Gbps data only, 5V/3A)
- **Magnetic Connection for Surface Pen** keeps your pen close and ready to use
- **Optional Lock Module** secures the Surface Pro to deter theft (K62918WW)
- **Gigabit Ethernet Port** provides a reliable 1Gbps wired networking connection
- **3.5mm Combo Audio Port** for headphone or microphone accessories
- **Kensington Security Slot** secures the dock via easy implementation of a cable lock

Why Trust Kensington?

With an extensive array of "Designed For Surface" accessories, including rugged cases, sleeves, docks, hubs, locking kits, and privacy screens, Kensington is The Professionals' Choice for organizations incorporating the Microsoft Surface line into their computing environments.
