Kensington®

MK7500F QuietType™ Pro Silent Mechanical Keyboard with Meeting Controls

Part Number: K72201US | UPC Code: 0 85896 72201 4

Silent. Premium. Professional.

Designed to reduce distractions and increase productivity, the MK7500F QuietType™ Pro Silent Mechanical Keyboard with Meeting Controls elevates your typing experience with the precision, comfort, durability, and universal compatibility required for all-day productivity and focus—and tactile keys that set a new standard for what is truly quiet.

Type with confidence knowing you are not distracting others, and enhance your productivity with convenient video conferencing controls, customizable keys, and an ergonomic, spill-proof design.

Built by professionals for the modern workplace, and ideal for work-from-home setups, the MK7500F offers everything you need in a professional keyboard.

- Responsive keys, a quiet typing experience, and n-key roll over (NKRO)
- Universal compatibility for Windows and macOS
- Kailh Midnight Pro Silent Tactile switches with sound dampening pads
- Connects via Bluetooth, or included 2.4GHz USB receiver, or included USB-A cable
- 128-bit AES government-grade encryption security
- Ergonomic design supports all-day typing comfort

Kensington®

MK7500F QuietType™ Pro Silent Mechanical Keyboard with Meeting Controls

Part Number: K72201US | UPC Code: 0 85896 72201 4

Fully Customizable Keys

Enhance your productivity with the built-in meeting controls for video conferencing. Customize your experience by programming keys, creating macros, adjusting key mappings, managing profiles, and more with the optional Kensington Konnect™ software.
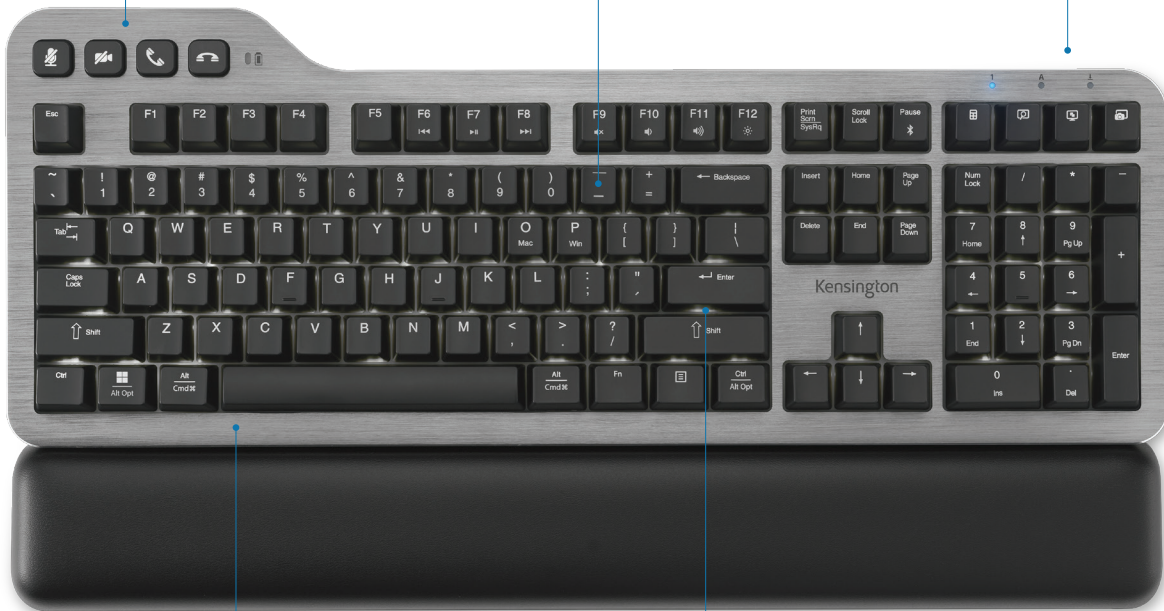

QuietType™ Keys

Quieter than normal conversation or background music, the MK7500F keyboard combines Kailh Midnight Pro Silent Tactile switches with sound dampening pads—so you can type with confidence knowing that you are not distracting others or disrupting a call or meeting.

IPX4 Spill-Proof Design

Verified and tested to protect your mechanical keyboard from the accidental spills that occur in busy workspaces.

Durable Ergonomic Full-Size Design

Supports all-day typing comfort via a thoughtfully designed full-size aluminum frame with high-quality laser etched ABS keycaps, dual position feet with 5 and 7 degrees of adjustment, and a gel wrist rest pad.

Adjustable White Backlight

Ideal for the modern professional who works off-cycle hours, the white backlight allows for easy key identification in low light settings, can be easily adjusted via the built-in shortcut keys, and lasts up to 90 hours after a full charge, even with the backlight at 100%.

Kensington®

MK7500F QuietType™ Pro Silent Mechanical Keyboard with Meeting Controls

Part Number: K72201US | UPC Code: 0 85896 72201 4

Designed by Professionals for the Modern Workplace

Ideal for professionals working from home, attending lots of calls, or working where noise needs to be kept to a minimum. The MK7500F provides responsive keys, a quiet typing experience, n-key roll over (NKRO), and universal compatibility for Windows and macOS—to maximize productivity and minimize distractions. Includes washable silicon dust cover to protect keyboard when not in use.

Wipe Down Protection

Meets MIL-STD-810H Method 504.3 Contamination by Fluids with disinfectants with no degradation.*

*No visual degradation or inability to use as directed upon test completion

WIPE DOWN
MIL-STD 810H • METHOD 504.3
CONTAMINATION BY FLUIDS

Multiple Connection Options

Connect up to 5 active devices—three via Bluetooth, one using the 2.4GHz USB receiver for a reliable connection up to 10 meters away, provides 128-bit AES government-grade encryption security, and one using the included USB-A cable, so you can charge and use the keyboard at the same time.
