The Professionals' Choice™

Combination Lock for Surface Pro and Surface Go

Retail: Part Number: K68131WW / UPC Code: 0 85896 68131 1

Poly Bag: Part Number: K68130WW / UPC Code: 0 85896 68130 4

Serialized: Part Number: K68132WW / UPC code: 0 85896 68132 8

Exclusively designed for **Surface Pro and Surface Go**, Kensington worked directly with Microsoft to provide professional-level security and superior device engagement, so you can secure your Surface Pro or Surface Go with confidence.

Non-invasive locking technology delivers an easy-to-use security solution that requires no device modifications, preserving the Surface Pro's hardware warranty and aesthetics.

Strong lock head is tested for torque/pull, foreign implements, lock lifecycle, corrosion, strength, and other environmental conditions, this lock head meets Kensington's industry-leading standards for tamper resistance, reliability, and durability. Resettable 4-wheel number code 10,000 possible combinations, selectable by the user.

Six foot (1.8m) plastic sheath-covered carbon steel cable resists tampering and offers the same level of cut-resistance and theft-deterrence as thicker cables.

Register & Retrieve™

Register & Retrieve™, Kensington's free online program, provides quick, secure, code registration. Rest easy knowing that if you ever forget your code, we have you covered.

A five-year warranty means you can rest assured knowing you're covered by Kensington, inventor and worldwide leader in laptop security locks.
