

Slim NanoSaver® Portable Combination Lock

Part Number: K60627WW | UPC Code: 0 85896 60627 7

Portable
security that
won't get
in the way.

Ideal for thin laptops, the Slim NanoSaver® Portable Combination Lock allows the laptop to lie flat and stable, without blocking valuable ports. A self-coiling carbon steel cable sheathed in plastic stretches up to 1.8m and shrinks down to 76mm for easy portability. Features include a resettable four-number combination, one-handed operation and Register & Retrieve™ for quick, secure and easy combination retrieval. Meets or exceeds rigorous strength testing standards. Five-year warranty. From Kensington, inventor of the laptop cable lock, and industry leader in physical device security for more than 25 years.

Features include:

- Self-coiling carbon steel cable sheathed in plastic stretches up to 1.8m and shrinks down to 76mm for easy portability
- Slim lock head allows laptop to lie flat and stable
- Will not obstruct laptop ports
- Resettable four-number combination
- Enables one-handed use
- Quick, secure and easy combination retrieval (via Register & Retrieve™)
- Verified and tested
- Made by Kensington, inventor and worldwide leader in laptop security locks
- Five-year warranty

The Professionals' Choice™

Slim NanoSaver® Portable Combination Lock

Part Number: K60627WW | UPC Code: 0 85896 60627 7

Self-Coiling Carbon Steel Cable

Easily transportable and strong, stretching up to 1.8m and shrinking down to 76mm. Plastic sheathing protects surfaces.

Slim Lockhead

Allows the laptop to lie flat and stable.

Won't Block Valuable Ports

Allows for full use of the laptop's ports.

Resettable Four-Wheel Number Code

Lets you choose from 10,000 possible combinations.

Pivot and Rotate Cable Head Featuring One-Handed Operation

Allows for easy and flexible connection and movement.

Register & Retrieve™

Kensington's free online code registration program that allows for quick, secure and easy lookup if the combination is ever lost or forgotten.

Verified and Tested

Each Kensington lock is precision engineered to meet or exceed rigorous industry standards for strength, physical endurance and mechanical resilience.

Five-Year Warranty

Rest assured knowing you're covered by Kensington, inventor and worldwide leader in laptop security locks.
