

FP10 Privacy Screen for Surface Go

Part Number: K55900WW

UPC Code: 8589655900

Trust Kensington, the choice of IT professionals, to help protect the sensitive information on your Surface Go and reduce the chances of wandering eyes viewing confidential data on your screen. This privacy screen is designed specifically for the Microsoft Surface Go and is compatible with the touch screen. The FP Series Laptop Privacy Screens limit the field of vision to +/- 30 degrees so a person off to the side only sees a dark screen. They are easy to install, with the included double-sided tape. The privacy screen uses an anti-reflective coating to reduce glare, and filters out harmful blue light by up to 30 percent.

FEATURES & BENEFITS

- Limits viewing angle to +/- 30°, hiding personal or confidential information from anyone trying to look from the side
- Reduces harmful blue light by up to 30%
- Can be installed using double-sided tape
- Anti-reflective coating reduces glare and improves clarity
- Designed for the Microsoft Surface Go this privacy screen is compatible with the touch screen
- Protects the monitor screen from scratches and damage
- Cleaning cloth included
