

Extending the life of your docking station investments

SD4700P Universal USB-C and USB 3.0 Docking Station

Supporting the latest USB-C connections and legacy computers with USB 3.0 ports, the SD4700P Universal USB-C and USB 3.0 Docking Station is the ideal docking solution for evolving computer environments. Engineered using the most stable and trusted technology, the SD4700P provides compatibility that just works. Exhaustively tested with new and legacy laptop models, the SD4700P extends the life of your technology investments and is easy and painless to set up.

Features and benefits:

- **Universal Docking Station** is a smart technology investment for evolving and mixed computer environments - conveniently connecting any laptop equipped with USB-C or USB 3.0 and supporting both Windows and Mac
- **Simple set-up** allows you to connect and quickly transfer audio, video, data and power¹, keeping your workspace clean and clutter-free, while also easily accommodating mixed deployments and flexible workspaces
- **DisplayPort++/HDMI** provides flexible video connections with support up to 2560 x 1600 at 60Hz for a single monitor or 2048 x 1152 at 30Hz for dual monitors via DisplayLink
- **6 USB ports** extend the productivity capabilities of today's thin laptops via one USB port (5V/3A), and five USB 3.0 ports, one of which is a 2.1A fast-charging port to power and charge a tablet or smartphone
- **135W power supply adapter** provides ample power for dock and up to 60W of power for devices connected via Power Delivery (PD) USB-C¹
- **Combo 3.5mm headphone and microphone jack** lets users easily connect their favourite headset
- **Gigabit Ethernet port** provides a reliable 1Gbps wired networking connection
- **Optional 60W USB 3.0 Power Splitter** provides a power delivery option for USB 3.0 laptops and includes 8 power tip adapters to provide ample connection opportunities for Dell, HP, Lenovo and other leading manufacturers

Compatibility

Windows 7 or above
macOS 10.13

SD4700P Universal USB-C and
USB 3.0 Docking Station
K38240EU

60W USB 3.0 Power Splitter
for SD4700P
K38310EU

¹ USB-C host device must support Power Delivery. Power Delivery is not supported on USB 3.0 host devices without the use of the 60W Power Splitter (K38310EU) sold separately.
