

Kensington®

Premium Table Top Surge Protection

SmartSockets® Table Top Surge Protector with USB

Ideal for conference tables and meeting rooms, the SmartSockets® Table Top Surge Protector with USB offers premium surge protection against power spikes for all of your electronic devices.

Features & Benefits

- **Hextuple Safety Protection** guards against voltage spikes, current surges, power surges, overheating, and short-circuits, while also providing the highest V0 rating available for fire resistant housing in consumer electronics
- **1500 Joules of Surge Dissipation** safeguards computers and other electronic devices
- **6 Outlets** with ample room to accommodate AC adapters in each
- **4 Fast-Charging USB Ports** supply up to 2.4A per port (4.8A shared max across 4 ports)
- **16-Foot Power Cord** allows SmartSockets to reach almost anywhere
- **Color-Coded Rings with Matching Cord Labels** provides easy cord management
- **UL & CSA Certified** to provide superior safety & reliability
- **\$50,000 Connected Equipment Warranty** against damage from surges
- **Right-Angle Plug** easily fits into tight spaces
- **Ground & Surge Protection Indicator** provides visual assurance that your devices are protected
