

Designed for convenience and rugged protection

BlackBelt™ 2nd Degree Rugged Case for Surface™ Pro 6, Surface™ Pro (2017) & Surface™ Pro 4

Kensington's trademarked technology defines the integrity of the security and the design is a member of the Designed for Surface programs to provide protection and convenience in all environments – whether in the office, remote working or outdoors.

Features & benefits:

- **Military-grade protection** strong rugged body is designed to meet the U.S. Department of Defense MIL-STD-810G testing protocols for drops
- **Integrated silicone hand strap** provides a worry-free convenient way to collaborate while incorporating mobility into your Surface™ Pro that is built-in to the case
- **Type Cover Channel & QuickFold™ design** allows you to quickly and easily attach or detach the Type Cover without removing the rugged case protection and allows the Type Cover to be folded along the backside of the case
- **Unobstructed access** is Designed for the Microsoft® Surface™ by providing you with strategic cutouts that allow for full functionality of accessories
- **Surface™ pen holder** is an integrated form-fitting high convenience area that secures your pen from getting lost keeping it ready for use
