

MagPro™ Elite Magnetic Privacy Screen Filter for MacBook Pro 16"

Part number: K52200WW | UPC code: 0 85896 52200 3

Privacy begins
on screen.

The MagPro™ Elite Magnetic Privacy Screen Filter for MacBook Pro 16" seamlessly attaches to the laptop's magnetic frame, allowing the MacBook Pro to close completely and enter sleep mode - no need to remove. The privacy screen filter protects monitor from scratches and damage, while providing privacy by limiting viewing angle to +/- 30°. Reduces harmful blue light by up to 22%, diminishes glare and improves clarity. Reversible screen offers matte or glossy viewing options - magnets make it easy to detach and reattach. Includes anti-bacterial cleaning cloth and screen holder to protect from scratches while not in use.

Features include:

- Seamless magnetic integration
- Allows laptop to close and enter sleep mode
- Limited viewing angle
- Blue light reduction
- Low reflective coating
- Reversible viewing

MagPro™ Elite Magnetic Privacy Screen Filter for MacBook Pro 16"

Part number: K52200WW | UPC code: 0 85896 52200 3

Seamless magnetic integration

Privacy screen filter conveniently attaches to the MacBook Pro frame with magnets. This avoids potentially damaging adhesives from being used and eliminates any setup process.

Allows laptop to close and enter sleep mode

Screen's magnets help keep MacBook Pro closed so it can enter - and stay in - sleep mode. No need to remove.

Limited viewing angle

Narrows the field of vision to +/- 30 degrees, helping you keep the information on your screen private and reducing the chances of a visual data breach in the office or in a public setting.

Blue light reduction

Filters out harmful blue light rays by up to 22%, easing eye strain and reducing the chances of blue light interrupting natural sleep patterns.

Low reflective coating

Reduces glare from outside light sources for improved viewing clarity.

Reversible viewing

One side has a matte finish to reduce glare and fingerprints. The other side is glossy and provides a clearer view of the monitor. Magnets make it easy to detach and reattach.

MagPro™ Elite Magnetic Privacy Screen Filter for MacBook Pro 16"

Part number: K52200WW | UPC code: 0 85896 52200 3
