

The Easy Monitor Arm with One-Touch Charm

Kensington SmartFit® One-Touch Height Adjustable Single Monitor Arm

Improve posture, promote proper eye alignment and support neck and shoulder comfort with the Kensington SmartFit® One-Touch Height Adjustable Monitor Arm. Ergonomically designed to promote wellness and increase productivity, the SmartFit One-Touch Height Adjustable Monitor Arm incorporates Kensington's patented SmartFit technology to simplify proper fit and allows users to adjust the height, depth and angle of their monitor for individualized comfort. Stable at any monitor position, users can easily switch from landscape to portrait mode. An ideal monitor arm for the modern office and a perfect complement to the SmartFit Sit/Stand Desk (K52804WW).

Design

SmartFit®
System

Features & Benefits:

- **SmartFit® System** simplifies ideal ergonomic height positioning using scientifically proven research to support proper fit
- **One-Touch Adjustable Arms with Built-in Gas Spring** simplifies height adjustment (6.7"-19.9" or 170mm-505mm), provides 180° swivel and monitor rotation, +/- 90° tilt adjustment, and allows monitors to smoothly move up, down, forward and back for full motion articulation
- **Stability Focused Design** supports 13"-32" flat or curved monitors weighing up to 19.8lbs (9kg) and ensures monitors are stable and steady in any position
- **Easy to Install** with included quick release detachable VESA plate (75mm or 100mm), c-clamp (desktop thickness range: 0.39"-3.3" or 10mm-85mm) and grommet (diameter range: 0.41"-1.97" or 10.5mm-50mm) installation options, and included tool kit to simplify removal
- **Cable Management System** keeps monitor cables organized for a tidier workspace
- **Kensington Durability** meets ANSI/BIFMA performance and safety standards

Why Trust Kensington?

Kensington understands that the right office environment supports productivity and is proud to offer accessories that support ergonomics and wellness. Innovation, quality, and trust have made Kensington The Professionals' Choice™ in ergonomic accessories for more than 20 years.

Benefits of a Wellness-Focused Workstation

Research confirms that an ergonomically designed workstation provides wellness and productivity benefits that link proper posture to improved work attendance and increased employee activity. Improving posture, promoting proper eye alignment, and supporting neck and shoulder comfort are just a few ways the SmartFit® One-Touch Height Adjustable Monitor Arm supports employee wellness.
