

## Expert Mouse® Wired Trackball

Part Number: K64325 | UPC Code: 085896643258

### Why Trackballs?

Navigate with greater comfort and precision while saving valuable desktop space with the Kensington Expert Mouse Optical USB Trackball. Its optical technology delivers precise cursor control with the touch of a finger while the two-button design provides an interface that's familiar to mouse users. Kensington Expert Mouse Optical USB Trackball is backed by the Kensington 3-Year Warranty and free technical support.

### Designed for Surface

Kensington worked directly with Microsoft to provide professional-level solutions that look as good as they function, so you can work like a pro.

### Large Ball for Control

A distinctive centered-ball design gives you more comfort and precision.

### Patented Scroll Ring

Lets you glide effortlessly through web pages and documents.

### KensingtonWorks™ Software

For a customized experience.

## Expert Mouse® Wired Trackball

Part Number: K64325 | UPC Code: 085896643258

### Your Trackball, Your Rules

KensingtonWorks™ Software is software that allows you to customize the functions of each of the buttons found on your trackball. The result is a more productive and truly personalized computing experience. Now you can set your preferred functions or keyboard shortcuts for each trackball button or combination of buttons, adjust the pointer speed and acceleration and do so much more. Best of all, by allowing you to personalize your trackball experience, KensingtonWorks™ Software makes your trackball work the way you do. KensingtonWorks™ is compatible with Windows 7 or above, Mac OS 10.9 or above.

### Kensington Expert Mouse Features

- All-day comfort from a world leader in trackball innovation
