Patented Magnetic Attachment

Slim magnetic strips allow for quick and easy attachment and removal of the privacy screen filter as needed. The laptop can completely close and enter sleep mode without removal.

Supports Slim Bezel and Edge-to-Edge Displays

Unique design allows for unobstructed viewing and includes a webcam notch for an unhindered video conferencing experience.

Privacy-Focused Viewing Angle

Narrows field of view to $\pm 30^\circ$, shielding on-screen information from prying eyes and reducing the chance of a data breach.

Blue Light Reduction

Eases eye strain and reduces the chance of natural sleep pattern interruptions by filtering out up to 30% of the laptop's harmful blue light rays.

Low Reflective Coating

Reduces glare from outside light sources for improved viewing clarity.

Reversible Viewing Options

Choose between matte side for reducing glare and fingerprints or glossy side for a clearer view of the screen.
