Classic USB-A Mono Headset with Mic and Volume Control

Part Number: K80100WW | UPC Code: 085896801009

Exceptional Sound

A 27mm driver enables deep bass and a wide dynamic range.

Safe Listening Limit

Sets the maximum output to 94db to protect ears from hearing loss associated with extended periods of excessively loud sound.

Universal Comfort

The adjustable headband fits heads of all sizes, with a plush, replaceable, sealed earpad for all-day comfort.

Robust Design

Sturdy plastic headband and a strong 6-foot USB-A cord to withstand heavy use and allow for flexible placement.

Multi-Device Compatibility

Works with Windows, Mac, and Chromebook devices.

Omnidirectional noise-cancelling microphone with inline volume control.

Provides easy, one-handed operation.

One-Year Warranty

Rest assured knowing you're covered by Kensington.
