QUIET ELECTRIC STAPLER

SWINGLINE® OPTIMA® 20 COMPACT QUIET ELECTRIC STAPLER

Take advantage of fast, quiet stapling with the Optima 20 compact electric stapler. It's handheld size and battery power make it ideal for moving between conference rooms to tackle a range of stapling jobs.

FEATURES:

Jam Free Guaranteed

Jam Free guaranteed for fast, high-volume stapling when used with Swingline S.F.® 4® Premium or Optima Premium Staples.

Manual or Automatic Modes

Easily switch between stapling modes with the user control switch. Choose manual mode for precise stapling on smaller jobs, and change to automatic for quick, hands-free stapling.

QuickLoad™ Technology

With QuickLoad™ technology, simply eject empty staple magazine with the press of a button.
