

Quartet® Projection Screens

Projection screens ensure that every video and presentation will display with amazing clarity and vivid color. This wide format projection screen from Quartet is great for use in the office. High definition pictures show up on the screen with impressive quality and sharp brilliance. The matte white screen surface is made of durable vinyl and can be washed with mild soap and water.

Space Saver. Screen hangs from wall and does not take up valuable floor space. Screen retracts for safekeeping while not in use.
