

Quartet® Improv™ Signage

Elevate your message. Convey with confidence.

Quartet® Improv™ Signage

Create a high-quality display that will entice your audience and grab their attention. Quartet® Improv™ Signage is perfect for communicating important messages in high-traffic areas such as lobbies, showrooms, health centers, cafes and small businesses. The solid, durable structure allows you to post, protect and easily update communication pieces with personality and professionalism.

Quick Assembly. Flexible, 2' x 3' weather-resistant sign instantly unfolds for quick, on-the-go displays and storage.

Interchangeable Display.
Update your signage in mere seconds by unhinging the clip frame to display fresh ideas.

Superior Communication.
Elevate standard-size papers and posters measuring up to 24" x 36" into high-quality displays. Dual-sided A-Frame allows for visibility from both directions, ensuring messages reach a larger audience.

Communication piece
Protective Material.
Reduced-glare frosted plastic panel shields and protects.

Attractive Design.
Contemporary, anodized brushed aluminum and graphite frame complements interiors.

Non-skid feet

Improv™ A-Frame

Smart Features.

Durable, yet lightweight design provides the perfect display for high-traffic areas. Protective panel keeps communication looking new.

Clear Benefits.

Standard documents become more sophisticated, more modern and more engaging. Customizing and updating content is easy.

The Difference.

Contemporary styling enhances signage and complements a variety of interiors.
