

Protection At Every Angle

BlackBelt™ Rugged Case for iPad® 9.7

The BlackBelt™ Rugged Case has a built-in kickstand that is infinitely variable to get the perfect angle in use with an easy install screen protector included for your device. Integrating the hand strap makes the iPad® convenient and easy to use wherever you are.

Features & Benefits:

- **Drop Test Certified (MIL-STD 810G)** provides Military-Grade Protection with a defensive rugged body designed to meet the U.S. Department of Defense MIL-STD-810G testing protocols for drop impact
- **Infinitely Variable Kick Stand** is adaptable and increases comfort by reducing additional strain on the eyes, neck or wrists
- **Integrated Silicone Hand Strap** provides a worry-free convenient way to collaborate while incorporating mobility into your iPad®
- **Asset Tagging Area** allows users to quickly identify devices reducing users losing or misplacing their devices in classroom or collaborative environments
- **Easy Access to All Ports and Buttons** allowing you protection that does not sacrifice the ability to continue using all cables, headphones and other accessories
- **Easy to Install Screen Protector** provides protection for the screen no matter where you go and what you do
