MagPro™ Elite Magnetic Privacy Screen Filter for Surface Laptop

For Surface Laptop 13.5" - Part No: K50728WW | UPC Code: 085896507284

For Surface Laptop 15" - Part No: K58362WW | UPC code: 085896583622

Designed Exclusively for Surface

We collaborated with Microsoft to ensure that the privacy screen filter works perfectly with your Surface Laptop.

Seamless Magnetic Integration

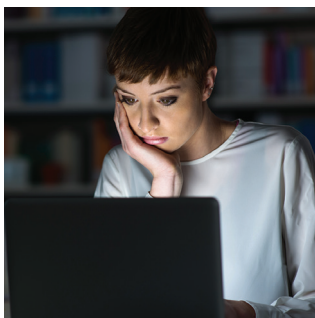

Conveniently and easily attaches to the Surface Laptop's magnetic frame. Avoids potentially damaging adhesives from being used, and eliminates any setup process.

Reversible Viewing

One side has a matte finish to reduce glare and fingerprints. The other side is glossy and provides a clearer view of the monitor.

Limited Viewing Angle

Narrows the field of vision to $\pm 30^\circ$, helping you keep the information on your screen private and reducing the chances of a visual data breach in the office or in a public setting.

Blue Light Reduction and Low-Reflective Coating

Filters out harmful blue light rays by up to 22%, easing eye strain and reducing the chances of interrupted sleep patterns. Coating reduces glare for improved clarity.

Touch and Surface Pen Enabled

Allows you to use your Surface Laptop just as you would without a privacy screen filter.

Cleaning Cloth and Protective Case

Help keep your screen clean and prevent scratches when not in use.

Two-Year Warranty

Rest assured knowing you're covered by Kensington.
