

SmartFit® Laptop Riser with Wireless Phone Charging Pad

Where Ergonomics Meets Convenience

Combining comfort and convenience, the award-winning SmartFit® Laptop Riser with Wireless Phone Charging Pad blends 20 years of ergonomic expertise with the latest in reliable wireless charging technology.

- **Qi wireless phone charging pad*** – power your smartphone with a dedicated wireless charging pad that is always on
- **SmartFit System** – select your personal height setting using the included color-coded fitting chart so you can set the riser at your personalized height
- **Zero footprint enabled** – mount a compatible Kensington universal docking station under the platform, which is ideal for desktops with limited space
- **Cable management** – unique design under the laptop platform allows you to route cords in a clutter-free way, producing a cleaner desktop experience
- **Anti-skid tilt design** – ideally angles so that any laptop up to 15.6" can be securely placed on the platform
- **Kensington Security Slot** – add a ClickSafe® or MicroSaver® lock to either the right or left leg of the stand to lock it down
