

Pro Fit® Ergo Vertical Wired Trackball

Part Number: K75256WW | UPC Code: 0 85896 75256 1

Innovative comfort and control.

Give your hand a healthy break. Upgrade to ergonomist-approved comfort and premium cursor control with Kensington's Pro Fit® Ergo Vertical Wired Trackball. A 60° tilt angle promotes proper wrist, arm and shoulder alignment to maximise comfort and minimise potential strains. This mouse-like vertical trackball is easy to learn and offers nine programmable buttons, plug-and-play ease with the ability to customise using KensingtonWorks software and a unique, easy-to-clean design.

- **Ergonomist-Approved Design** - promotes proper wrist, arm and shoulder alignment to maximise comfort and minimise potential strains.
- **Easy to Use** - reduces learning curve when transitioning from a mouse to a trackball.
- **Premium Precision & Speed** - provides more accurate and smooth cursor control, and allows you to easily switch between DPI settings for different cursor speed control.
- **Secure Wired Connection** - never worry about batteries or wireless interference.
- **Plug & Play or Customise** - use the default settings or download KensingtonWorks software to set pointer and scrolling options and professionally customize nine buttons to tackle common tasks with one touch.
- **Unique Easy-to-Clean Design** - features a button to eject the trackball for easy cleaning.
