Orbit® Wireless Trackball with Scroll Ring - Black

Part Number: K70990WW | UPC Code: 085896709909

The popular choice of professionals everywhere for everyday precision, productivity, and comfort, now wireless.

The Kensington trackball legacy continues with the latest addition to the patented Orbit® Trackball with Scroll Ring — the Orbit® Wireless Trackball with Scroll Ring. You asked for wireless, and we delivered, with the same great features that have made the Orbit® Trackball with Scroll Ring so popular, including a patented scroll ring that allows you to scroll up and down pages with ease; customizable buttons; dual wireless connectivity offering the flexibility of 2.4 GHz and Bluetooth (3.0 and LE), with 128-bit AES government-grade encryption security; four DPI settings (400, 800, 1,200, or 1,600) that let you easily adjust the cursor speed to fit your needs; a detachable wrist rest; ambidextrous design; and plug-and-play ease for Mac or PC.

Features include:

- Wireless 2.4 GHz and Bluetooth (3.0 and LE) connectivity
- 128-bit AES encryption
- Scroll ring with medium (40mm) ball
- Precise optical tracking with four DPI settings (400, 800, 1,200, and 1,600)
- Comfort (less wrist and hand movement to ease repetitive-stress injuries)
- Ambidextrous design
- Customizable (via free downloadable Kensington software)
- Detachable wrist rest
- Mac and PC compatible

Kensington®

Orbit® Wireless Trackball with Scroll Ring - Black

Part Number: K70990WW | UPC Code: 085896709909

AES-128 Encryption

Dual Wireless with 128-bit AES Encryption Security

The flexibility of 2.4 GHz and Bluetooth (3.0 and LE), with government-grade encryption.
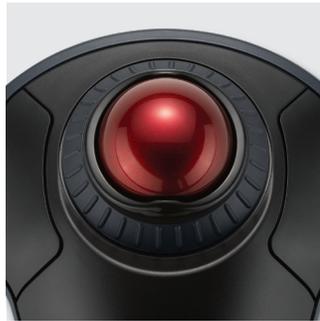

Scroll Ring and Medium Ball

Spin the dial to move up and down web pages or documents with complete ease. The 40mm ball's hard surface is specially designed as a perfect sphere for precise tracking and control.

DPI 400/800/1200/1600

Four DPI Settings

Easily adjust the cursor speed to fit your needs by selecting the appropriate DPI level (400, 800, 1,200, or 1,600) — lower DPI for precision editing, and higher DPI for word processing or casual browsing.

Ambidextrous Design

Works equally well for right-handed and left-handed users. Trackball reduces wrist and hand movement to ease repetitive-stress injuries.

KensingtonWorks™ Customization

Free downloadable software provides a personalized experience, giving you the ability to assign a variety of functions (including shortcuts) to the buttons, and adjust cursor and scrolling speed.
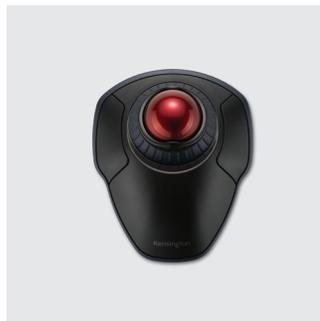

Optical Tracking Technology

Delivers precise cursor movement for superior accuracy, so you can get where you want on the screen quickly with less hand movement, improving productivity and efficiency.
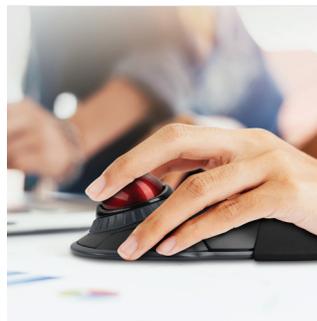

Detachable Wrist Rest

Soft cushioning supports the hand and wrist in ergonomic comfort for pain-free productivity during extended periods of activity on the computer.

Compatible

Works with Mac and PC

Orbit® Wireless Trackball with Scroll Ring - Black

Part Number: K70990WW | UPC Code: 085896709909

System Requirement

	Operating Systems Supported	Windows 7, 8.1, 10; Mac OS 10.12 and later, MacOS 11
	Plug & Play	Yes for basic mousing functions
	Software	KensingtonWorks for customization Download from Kensington website (https://www.kensington.com/software)

USB Interface

	Type of USB Connector	USB 2.0 Connector
	Host Connector	Support USB 2.0/3.0 Type A
