

Expand your device horizon

Kensington UH7000C USB 3.0 7-Port Charging Hub

With USB ports on laptops becoming a precious commodity, an external hub can be the answer to maintaining optimal productivity. The UH7000C USB 3.0 7-Port Hub & Charger ensures you can connect all your peripheral desktop accessories to your laptop, as well as quickly charge your smartphone or tablet.

Features and benefits:

- **7 USB 3.0 Charge and Sync Ports** – expand your device's productivity capabilities by plugging your peripheral accessories into any of seven USB 3.0 ports and then watch the battery on your smartphones and/or tablets charge up in the process with the available 1.5 Amps of power
- **Lightning fast transfer speeds** – using USB 3.0 technology, the hub supports transfer speeds up to 5Gbps, which is ten times faster than USB 2.0
- **Plug & play operation** – simply insert the USB cable on the hub into your device and it's automatically ready to go with no need for a driver download
- **Universal compatibility** – the adapter is compatible with devices running Windows® 10/8.1/8/7/Vista/XP; macOS® 10.6 or later operating systems
