Wireless Presenter - Nano Receiver Presentation Remotes

Nano Receiver – Part Number: K33271WW | UPC Code: 085896332718
with Red Laser Nano Receiver – Part Number: K33272WW | UPC Code: 085896332725

Present like a pro.

The Wireless Presenter Nano Receiver family of presentation remotes can help anyone present like a pro. Whether it's a presenter with a red laser or with no laser at all, the Wireless Presenter family of remotes offer room to roam with a generous 65-foot wireless range, secure (AES 128-bit encryption) wireless technology, plug-and-play compatibility with Windows and Mac, and TAA compliance.

Features include:

- Variety (red laser, no laser)
- Intuitive 4-button layout
- Plug-and-play, compatible with Windows and Mac
- Convenient nano receiver storage
- Secure (AES 128-bit encryption)
- Room to roam with generous 65-foot wireless range
- TAA-compliant

Wireless Presenter - Nano Receiver Presentation Remotes

Nano Receiver – Part Number: K33271WW | UPC Code: 085896332718
with Red Laser Nano Receiver – Part Number: K33272WW | UPC Code: 085896332725

A Variety of Remotes — Available with or without a red laser pointer, making it easy to find the perfect remote.

Intuitive Four-Button Layout — Advance your presentation, go back, hide your screen, use the laser pointer, and more, with controls that make sense and are easy to find and use.

Plug and Play, Compatible with Windows and Mac — Wireless Presenter presentation remotes work right out of the box with Windows XP and above, and Mac OS X 10.11 and above.

Convenient nano USB Receiver Storage — Lets you easily store your wireless nano USB receiver in the battery compartment so it won't get lost, as each remote and receiver are uniquely paired to prevent interference.

Secure Wireless Technology with Room to Roam — Adopted by the U.S. government as the encryption standard, AES 128-bit encryption protects sensitive data from potential hackers. Generous 65-foot wireless range gives you freedom to move around.

TAA-compliant — Wireless Presenter presentation remotes support federal government purchasing protocols.
